The [#PeoplesSummit](#) is bringing together diverse groups from different cultures, religions, regional structures, United Nations agencies, professions, students, unions and rights-based campaigns. Representatives from these global entities, as well as, local communities and interest groups, will co-create new values and principles that can be used as reference points for future development. Reference points that explicitly aim [#LeavingNoOneBehind](#) and give all people and the planet confidence, security and trust. <https://newecosocialworld.com/> from June 2 to July 2, online

#3

Via their representative organisations, the #PeoplesSummit already 100s of millions of people are committed to the people's global summit. Yet all people need to be involved in co-shaping the values, principles and subsequent policies and practices. 2022 will bring more challenges but also the biggest opportunity for our generation to influence and transform our shared futures and our world. Submit your contribution for the People's Summit [#NewEcoSocialWorld](#)

Make sure your voice is heard during the upcoming people's summit: 'Co-Building a New Eco-social World: Leaving No One Behind'. The summit, scheduled for 29 June to 2 July 2022, will bring together individuals and communities, people of lived experiences, along with global organizations to create a set of globally shared values for an eco-social world. All contributions will shape the Global Values Declaration for a new eco-social world that will be delivered to the United Nations High-Level Political Forum in July 2022 and will create a catalyst for further global action.

We invite you to submit a contribution for inclusion in the summit that shares the principles and values of your communities' programs, social movements, indigenous rituals, culture and knowledge, academic work, personal experiences, etc. The deadline for submission is 31st March 2022.

Learn more and submit your contribution. <https://newecosocialworld.com/>
